Another technique is to check out costs by creating a number of duplicate sales pages with completely different costs on each page. Be certain your gross sales copy is strictly the identical

on every web page, and contains your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This may tell you what your optimum value is.

Finally, in case you've written a book that solves a problem or presents a brand new approach, your ebook will herald both site visitors and profits.
