Do this by making a gross sales web page for the new book, however do not embrace a value on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to check out prices by making a variety of duplicate sales pages with totally different prices on each page. Be certain that your gross sales copy is precisely the similar on every web page, and includes your selling-handle sentence. Then work out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This will let you know what your optimum price is.

Ultimately, for those who've written a ebook that solves a downside or presents a brand new technique, your book will usher in both traffic and profits.
