Advertising Strategies

The important thing that unlocks the sales potential of your book is to find a single sentence that turns into your selling handle. This sentence states what query or drawback your e book solutions and the benefits your e-book can provide. Then make sure to use that sentence in each piece of sales

and promotional material, and every time anyone asks you about your ebook.

An effective technique for determining a price is to ship out a survey to your current customers. If these customers have already bought an e-book from you, ask for their opinion when it comes to price. Do that by making a sales page for the brand new e book, but do not embody a value on that page. Instead, add quite a few links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out costs by making a number of duplicate sales pages with completely different costs on each page. Ensure your gross sales copy is strictly the identical on each page, and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. This may inform you what your optimum value is.
