Do that by creating a gross sales web page for the new guide, however do not embrace a value on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out costs by making a variety of duplicate gross sales pages with different costs on every page. Be certain that your gross sales copy is exactly the same on every

page, and contains your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum worth is.
