An efficient method for figuring out a value is to ship out a survey to your present customers. If these prospects have already bought an e book from you, ask for their opinion in terms of price. Do

this by creating a sales page for the new e book, but don't embrace a value on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to check out prices by making a variety of duplicate gross sales pages with completely different prices on each page. Be certain that your sales copy is strictly the identical on each web page, and contains your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum worth is.

Finally, for those who've written a e book that solves a problem or presents a brand new technique, your guide will bring in both traffic and profits. So make sure you write that selling-deal with sentence that sums up what downside your ebook solves and what the benefits of your 1280 guide will likely be to the purchasers who buy it.
