Do this by creating a sales page for the brand new e-book, however do not embrace a value on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out prices by making a variety of duplicate sales pages with completely different prices on each page. Be certain your gross sales copy is precisely the same on

every web page, and consists of your promoting-handle sentence. Then figure out for every web page the conversion ratio between visitors to your web site and sales of your book. It will inform you what your optimum worth is.

In the end, in case you've written a ebook that solves a problem or presents a new approach, your book will bring in each traffic and profits.
