An effective method for figuring out a worth is to ship out a survey to your current customers. If these customers have already purchased an e-book from you, ask for his or her opinion when it comes to price. Do that by making a sales page for the brand new ebook, but do not embrace a value on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out costs by making a number of duplicate gross sales pages with totally different costs on each page. Be certain your gross sales copy is precisely the identical on

every web page, and contains your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum value is.

Finally, when you've written a guide that solves a drawback or presents a new technique, your e-book will usher in both traffic and profits. So remember to write that selling-handle sentence that sums up what downside your guide solves and what the advantages of your 1603 e-book shall be to the customers who buy it. And then watch your market come to you!
