If these clients have already bought an e-book from you, ask for his or her opinion when it comes to price. Do this by making a sales web page for the brand new e book, but don't embrace a price on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with completely different costs on every page. Ensure that your gross sales copy is strictly the

identical on every page, and includes your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your website and sales of your book. This may tell you what your optimum price is.

In the end, if you've written a e book that solves a downside or presents a brand new technique, your ebook will bring in both visitors and profits.
