An effective approach for determining a worth is to send out a survey to your current customers. If these clients have already purchased an e book from you, ask for their opinion in terms of price. Do that by creating a gross sales web page for the new ebook, however do not embrace a value on that page. Instead, add various links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out costs by creating a number of duplicate gross sales pages with

different costs on every page. Make certain your sales copy is strictly the same on every web page, and includes your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your website and sales of your book. This will tell you what your optimum value is.

Ultimately, should you've written a ebook that solves a drawback or presents a new approach, your e-book will usher in each site visitors and profits.
