this by creating a sales web page for the new e book, but don't embrace a worth on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out prices by creating a variety of duplicate gross sales pages with different costs on every page. Ensure that your gross sales copy is strictly the similar on each web page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum price is.

In the end, in the event you've written a guide that solves a problem or presents a new method, your e book will bring in both visitors and profits.
