If these prospects have already purchased an book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales page for the brand new ebook, but do not include a price on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with totally different prices on every page. Make sure that your gross sales copy is precisely the similar on

each web page, and includes your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your site and gross sales of your book. This can tell you what your optimum price is.

Finally, when you've written a e-book that solves a problem or presents a brand new method, your e book will bring in both traffic and profits. So you'll want to write that selling-handle sentence that sums up what drawback your ebook solves and what the benefits of your 1882 ebook will likely be to the customers who purchase it.
