Begin at the highest value the market will bear to usher in the largest profits, and plan to low cost the e book a number of occasions throughout the year.

these prospects have already bought an ebook from you, ask for his or her opinion by way of price. Do that by making a gross sales page for the new book, but do not embrace a price on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out prices by making a variety of duplicate sales pages with different prices on each page. Be sure that your gross sales copy is strictly the same on each page, and consists of your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum worth is.

Ultimately, in the event you've written a book that solves a problem or presents a new approach, your ebook will bring in both site visitors and profits.
