Do this by creating a gross sales page for the brand new guide, but do not include a price on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out prices by creating a variety of duplicate sales pages with different costs on each page. Ensure your sales copy is strictly the identical on each page, and consists of

your promoting-handle sentence. Then determine for every web page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum price is.
