Do that by making a gross sales page for the brand new guide, however don't embody a worth on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out prices by making a number of duplicate sales pages with completely different costs on every page. Be sure your sales copy is strictly the identical on each page, and includes your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your web site and sales of your book. This can tell you what your optimum price is.

In the end, if you happen to've written a e-book that solves a drawback or presents a brand new method, your e-book will bring in each site visitors and profits.
