Another technique is to test out costs by creating a number of duplicate gross sales pages with completely different prices on every page. Be sure your gross sales copy is precisely the identical

on each page, and includes your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum worth is.

Finally, in case you've written a e-book that solves a drawback or presents a new approach, your guide will bring in each visitors and profits.
