this by creating a sales page for the new guide, however don't embody a value on that page. As a substitute, add a number of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Make certain your gross sales copy is strictly the similar on each web page, and includes your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum value is.

In the end, in the event you've written a book that solves a drawback or presents a new technique, your e-book will herald each traffic and profits.
