An effective method for figuring out a worth is to send out a survey to your current customers. If these prospects have already purchased an e-book from you, ask for their opinion in terms of price. Do that by making a sales web page for the new e book, but don't include a value on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out prices by making a variety of duplicate sales pages with completely different prices on every page. Be certain that your sales copy is precisely the similar

on every web page, and consists of your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum worth is.

In the end, in the event you've written a e book that solves a downside or presents a brand new technique, your e book will bring in each site visitors and profits.
