An efficient approach for figuring out a worth is to send out a survey to your present customers. If these prospects have already bought an e book from you, ask for his or her opinion when it comes to price. Do this by creating a sales page for the brand new book, however do not embody a worth on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out costs by making a variety of duplicate sales pages with totally different costs on each page. Ensure your sales copy is strictly the similar on each web page, and

includes your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and sales of your book. This will tell you what your optimum worth is.

In the end, if you've written a book that solves a drawback or presents a brand new technique, your book will usher in each site visitors and profits.
