Determine in case your purpose is to get wide distribution and most exposure. This goal is geared toward drawing customers to your small business or service, or to establishing the credibility of your reputation. If that is your most important goal, you must aim to maintain your worth on the low side. Some authors have even priced their ebooks at a profit loss to draw a high number of new customers. The secret is to find a worth that maximizes your profits and the number of books you sell.

This is a wonderful pricing technique if you are trying to purchase lengthy-time period customers. Long-time period customers are extremely probably to purchase from you again and once more ? as long as the primary e-book they purchase is of distinctive high quality and helpful to the customer.

Needless to say the above pricing technique is temporary. Eventually, you will cease to sell books at this excessive price. So determine prematurely how lengthy you plan to offer your e-book at this excessive value, and when that point is up, change your pricing strategy.

If you want to see large earnings over customer draw, intention for an audience that's looking for easy solutions to their problems at a low price. In case your book is aimed toward fixing one explicit drawback rather than basic recommendation, then you'll be able to charge more. Start on the highest price the market will bear to herald the largest earnings, and plan to low cost the ebook a number of occasions all through the year.

every piece of sales and promotional materials, and each time anyone asks you about your ebook.

An efficient technique for determining a price is to send out a survey to your current customers. If these customers have already bought an e-book from you, ask for their opinion when it comes to price. Do this by making a sales page for the new guide, however don't embody a price on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with totally different costs on every page. Make sure your sales copy is strictly the similar on each web page, and includes your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This can tell you what your optimum value is.
