One other strategy is to check out costs by creating a variety of duplicate sales pages with completely different costs on each page. Ensure that your sales copy is exactly the same on every web page, and contains your selling-handle sentence. Then determine for every page the conversion ratio between visitors to your web site and sales of your book. This may inform you what your optimum price is.

Finally, if you've written a ebook that solves a drawback or presents a brand new technique, your ebook will bring in both site visitors and profits.
