An efficient approach for determining a worth is to ship out a survey to your current customers. If these prospects have already purchased an e-book from you, ask for his or her opinion by way of price. Do that by creating a sales web page for the new e book, however don't embody a price on that page. Instead, add a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out costs by creating a variety of duplicate sales pages with different prices on each page. Ensure your gross sales copy is exactly the identical on each web page, and consists of your selling-handle sentence. Then determine for every page the conversion ratio between visitors to your website and gross sales of your book. This may let you know what your optimum price is.

Ultimately, in the event you've written a guide that solves a problem or presents a brand new

technique, your ebook will usher in both traffic and profits. So you'll want to write that promoting-handle sentence that sums up what drawback your ebook solves and what the advantages of your 645 e-book will be to the shoppers who purchase it. And then watch your market come to you!
