Do that by making a gross sales page for the new e-book, but don't embody a worth on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out costs by making a number of duplicate sales pages with different costs on every page. Be certain your sales copy is precisely the identical on every web page, and includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your website and sales of your book. This can inform you what your optimum worth is.

Ultimately, should you've written a guide that solves a problem or presents a brand new approach, your ebook will usher in both site visitors and profits.
