Do that by creating a sales web page for the brand new book, however don't embrace a worth on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with different costs on each page. Be sure your sales copy is exactly the identical on each page, and includes your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your website and gross sales of your book. It will inform you what your optimum price is.

In the end, if you happen to've written a e-book that solves a problem or presents a brand new technique, your book will usher in both visitors and profits.
