Do that by creating a gross sales page for the new book, however do not embrace a price on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out prices by creating a variety of duplicate sales pages with completely different prices on each page. Be certain your gross sales copy is strictly the identical

on every web page, and contains your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your website and gross sales of your book. This can let you know what your optimum value is.
