If these clients have already purchased an e book from you, ask for their opinion when it comes to price. Do this by making a gross sales web page for the new ebook, but don't include a worth on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Be certain that your sales copy is strictly the same on

every page, and includes your selling-handle sentence. Then work out for each page the conversion ratio between guests to your web site and sales of your book. It will let you know what your optimum worth is.

In the end, should you've written a book that solves a drawback or presents a new approach, your book will usher in both traffic and profits. So be sure to write that promoting-handle sentence that sums up what drawback your ebook solves and what the benefits of your 930 e-book can be to the shoppers who buy it.
